

# Chair of Architectural Behaviorology

## Swiss Window Journeys Architectural Field Notes

### Window Walk

To launch the publication of our book *Swiss Window Journeys* we cordially invite you on a walking tour of notable windows in the city centre of Zurich, ca. 2 km, rain or shine.

The walk will be followed by an Apéro and discussion with Andrea Deplazes and Laurent Stalder at the bookshop Never Stop Reading.

#### Window Walk

Date: Friday, 12.04.2024, rain or shine  
Time: 17:30  
Meeting point: Hallenbad City  
Adresse: Sihlstrasse 71, 8001 Zurich

In the book seventy hand drawings and nine conversations with architects trace a journey across the development of Swiss building culture. They highlight the role of the window as a tool for living within our environment.

*Swiss Window Journeys: Architectural Field Notes*, Edited by the Chair of Architectural Behaviorology, ETH Zurich. © 2023, gta Verlag, ETH Zurich, ISBN 978-3-85676-458-6

#### Window Talk
